LAYOUT of the Thesis according to 2017 Rector's Regulations:

1) Title page (template included)
2) (Optional - skip) Optional card thesis
3) Summary of the thesis
>   if the thesis is written in English:
>   - A summary of thesis in English, containing the title of the thesis and keywords (one page, single spacing, font size - 12 points)
>   - A summary of thesis in Polish, containing the title of the thesis and keywords (one page, single spacing, font size - 12 points)
>   - A summary of thesis in a foreign language (other than English), containing the title of the thesis and keywords - if there is a student edition copy of the diploma translated into a language other than English (one page, single spacing, font size - 12 points) - optional.

4) A statement about the authorship of the work signed by the student (you can find the template of this statement on the Faculty web page:
http://www.elka.pw.edu.pl/Studia/Kalendarz-ustalenia-plan-zajec/Prace-Dyplomowe)
5) (Optional - skip) Optional statement on granting licenses
6) Table of Contents
7) Chapters of the Thesis
8) Bibliography
9) List of symbols and abbreviations (I think that this section is optional unless you really use uncommon symbols and abbreviations)
10) List of Figures
11) List of Tables
12) List of Appendices (of course only if you have any appendices)
13) Appendices

ATTENTION: cover of the thesis is available in the Institute Secretary for Students Affairs
